According to the attached data protection regulations, the mentors are obliged to treat your personal data confidentially.

Declaration of Consent

I hereby agree that my personal data gathered during the mentoring consultation is documented and stored. I can contact my mentor to revoke this declaration of consent at any time. Data is stored for potential further consultations and will be deleted upon termination of enrollment, unless revoked beforehand. After termination of enrollment, my personal data or personally identifiable information gathered during the mentoring consultation/s is deleted.

RWTH Aachen uses the anonymous data gathered during mentoring consultations in statistical evaluations with the purpose of improving the quality of teaching and mentoring for students. This data cannot be traced back to me.

Access to my personal data or personally identifiable information is restricted to my mentor and their substitute. This ensures that in case of illness, holidays or end of employment I can make an appointment with a mentor at any time.
