

**Application for change of examination regulations
for the study program M.Sc. Civil Engineering
from PO version 2010 to PO version 2021**

Last Name, First Name	
Student ID No.	
Street, No.	
ZIP Code, City	
Telephone No.	

I hereby apply to change from the old examination regulations (PO version 2010) for the study program M.Sc. Civil Engineering to the new examination regulations (PO version 2021; start in summer semester 2021). I have informed myself extensively about the new examination regulations. I am aware of the consequences of my change.

Within the scope of this change, my achievements to date, including all failed attempts and withdrawals, will be transferred according to the study program-specific equivalence list.

I am aware that the change made is binding and irrevocable.

_____ Date Signed _____ Signature of Student

Please submit the completed and signed application to the Civil Engineering Examination Board (Mies-van-der-Rohe-Str. 1, 52074 Aachen).

To be filled in from here by the Examination Board
